ITNRides 2.0
Updates and Improvements

Enhancement

We have enhanced the email automations for Cases. You are now notified when a staff member is assigned to the case, and when the status of the case changes (from New to In-Progress, and to Closed).

Recent Fixes

- There were issues when updating a driver on a multi-segment ride. Those issues have been fixed.

- Some Debit Adjustments were not getting properly posted. That issue has been fixed.

New Reports

- All Drivers TAI's report: This report has all TAI's of type- Mileage Credit, Account Adjustment, Transfers and Donations.

- Opportunity Batches by Month (Financial Reports): includes GL Posting Accounts

- Donations and Payments by Timeframe (Financial Reports)

Coming Soon

We will be releasing a list of reports to check at month end with explanations of what to look for in each report.
