Updates and Improvements

Upcoming Holiday Weeks

Next week is Thanksgiving Week, and ITNAmerica will be closed on Thursday, 11/24 and Friday, 11/25. In December for the Christmas holiday we will be closed Monday, 12/26. Rounding out the season, we will be closed for New Years Day (observed) on Monday, 1/2.

During this time many employees will have additional days off, and response time may be a little longer than normal. We appreciate your understanding.

Reports

We have introduced a number of new reports this week. Please let us know if there is a report you would like to see, or if you are looking for a report but don't know what it is called. We are continuously expanding the pre-built reports and site feedback is essential to this process. If you would like a report, or modifications to a report, please put in a case with specific details.
